

Performance Dashboard

1. The performance dashboard is located under the **Control Panel > Evaluation**

2. The performance dashboard provides up to date report on the activity for all students.

Last Name	First Name	Username	Role	Last Course Access	Days Since Last Course Access	Review Status	Adaptive Release	Discussion Board	Customize Retention Center	View Grades
			Student	Dec 3, 2013 2:26:02 PM	1	0		1	1/6	

3. **Adaptive Release** shows any special permission applied to the views of the particular student. **Discussion Board** shows how many posts the student has made. **Retention Center** shows how many rules did the student not meet. **View Grades** takes you to the grade center.
