

Navigating Blackboard

1. Use the “**Cookie Trail**” (found at the top of your Blackboard Course) to retrace steps backwards to previous destinations.
2. Click on the action arrow beside the house to quickly navigate through your other courses.

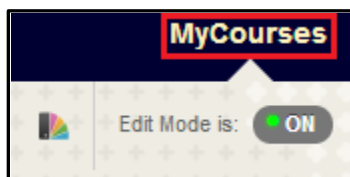

3. Click on the folder to open an expanded view of your blackboard course.

4. Click on the “+” to expand folders and the “-” to collapse folders.

5. You can also click on **MyCourses** to return to the Blackboard homepage to view your list of courses.
