# Importing Test Pools

To import Test pools from a publisher:

1. Click **Course Tools** under **Control Panel**
2. Click **Tests, Surveys and Pools** and click **Pools.**

3. Click **Import Pool**

4. Under **Pool Import**, click **Browse My Computer** to find the **Test Pool zip file**.
5. Click **Submit** to import the pool onto Blackboard.

For more help on using Blackboard 9.1 go to **http://tinyurl.com/csng4wk**
or visit the Blackboard On Demand site at **http://ondemand.blackboard.com/**

For more help documentation on Blackboard Learn 9.1 or other e-learning pieces of software, please select the
Technology Strategies tab on the Centre for Teaching and Learning website at:
