# Mashups

A Mashup combines elements from two or more sources. For example YouTube™, Flickr, and SlideShare you see on Blackboard. Mashups are displayed in the following ways:

- Embed, Thumbnail, and Text Link with Player

How to Create a Mashup Item Using the Content Editor

1. Navigate to an assignment, journal, or other piece of content.
2. On the Upload Assignment page, clickMashups.
3. Select Flickr Photo, SlideShare Presentation, or YouTube Video.
4. On the Search pop-up window, search for content. Type the content name in the Search box and click Go.
5. On the Search Results page, click Preview to examine the items, or click Select to include the appropriate item.

6. On the Create Mashup Item page, you can change the Name of the item. This is a required field.
7. Set the Mashup Options.
8. Click Submit.
9. On the Upload Assignment page, click Submit.
